ACCORDION QUARTET FEATURED

## Music on Radio Bill

Classical and modern music will be heard in unusual arrangements for four accordions during the program by the Accordion Quartet to be broadcast through the National Broadcasting system at 8:30 o'clock Saturday night.

Von Suppe's "Post and Pansent Overture" and Johann Strauss' "Blue Danube Waltz" will be heard in opening numbers. Two lighter pieces, "Tanzfesta" and "Tango Rave" are also scheduled.

A program of popular numbers will be presented by the Keystone Duo accompanied by the Balladeers, a string group, in a NBS system broadcast at 8 o'clock Saturday night.

The duo will open with "Old Times" and will also sing "Bells of St. Mary's" and "Night of Meditation" and "The Night of Meditation" and "The Night of Meditation".

All drawers are of box type construction, dovetailed front and back, plus blocked on the under side, a feature of the "Carroll" suite.

The "Carroll" is styled in a combination of the modern and an earlier period, finished in a soft velvety tone that distinguishes it from the ordinary. The repeat diamond motif which is outlined by roundly line and beautifully high-lighted, embellishes the fronts. Choice of any piece \$33.

Showers' newest decoration is this striking diamond pattern, emphasized by beautiful two-tone high lighting, and accentuated by fine line routing. Only ultra modern furniture has such beautiful detail.

The mirror standards of the "Carroll" are beautifully moulded from extra heavy wood stock to insure lasting rigidity and rich beauty.

## SHOWERS

Special attention has been given to the "Carroll" interior construction as well as the finish, so that it greatly excels in these two important features over the ordinary moderately priced furniture.

Note this rich, genuine wood carving that embellishes the "Carroll". Other moderately priced furniture often has pressed composition ornaments—Showers uses genuine wood—genuine carving.

## FIVE STATE GRIDDERS ON HURT LIST AFTER STRENUOUS PRACTICE

First Team Selections Taking Form, Young Kenton, on Regulars

COLUMBUS, Sept. 21.—Five Buckeye gridders are on the hospital list, all Ohio State due to the strenuous work on Dr. Walter head coach has been putting his men through this week.

Ed Hironaka, veteran tackle Howard Kist and Hardy Kuschamp, backfield men have wrenched knees while Oster a lineman and Dobson a back are suffering from a bruised knee and a broken toe bone respectively.

George Alber, veteran end who suffered a broken nose Tuesday is back in the lineup again.

First team selections are taking form and unless some last minute changes occur, the first group will include Al Oster, Sunray, Dill and Ponton, ends; Raskowski, Hironaka, J. Newer and Griffith, tackles; Young, Beer, Reboer and Ghelori, guards; and Hertz, Schaefer and Jackson, center.

First line linemen are Kustamp, McClure and Cory, while halfbacks include Billy Huston, Coffee, Holman, McCord and Loeck.

Fred Barrett, star center of last year's team is the heaviest man on the squad weighing in at 211 pounds.

## JACK DELANEY WINS OVER ITALIAN YOUTH

Victory Unimpressive, Ending in Eleventh Round After Fast Tenth

New York, Sept. 21.—Signaling his return to boxing by drawing the trusty rope with which he carried his way to the light heavyweight title, Jack Delaney started his way to a rather unimpressive victory over Bando, a blue-jacketed Italian youngster, last night at Liberty field, Brooklyn.

For 10 rounds the former champion fought skillfully and then just as the tenth round was ending Jack suddenly drove home his steel to a vulnerable spot. Jack's back was to the ropes in the corner and he only blacked out and did not knock out the Italian.

Delaney's Italian schoolmaster's nose and with each countering flurry he belted viciously at the Italian's head and body. Short jarring upercuts tilted Lasso's long chin upward and just as the bell rang Delaney delivered a terrific smash to the bridge of the nose. The Italian quit in the eleventh round.

## CHALLENGE IS REFUSED

## MANAGER FOGLE OF CHAMPS REPLIES TO LETTER OF BUTLER'S

Says Independent Team Has No Right to Bid for Title

By H. H. McFARLANE  
Sports Editor, The Star

In the expressions of Mr. F. Fogle, manager of the United States football team, can be taken at their full value there will not be a three game series this year between the city champions and the Butler side.

A letter was received today from Mr. F. Fogle replying to the challenge issued by the Butler manager for a series for the independent championship of Marion. Butler's claim to be the best team of any club playing independent football in Marion.

Quoting Mr. Fogle: "The 1923 team does not represent the right of Butler to challenge the 1924 team for a series to determine who are the city champions. This season the Eagles team played 18 games in the regular league and won all of them. They played five games in the Little World Series and won four of them. It seems that the championship of Marion has already been decided."

Did Not Deal Eagles  
"They have made the claim that their team is the only team with the exception of Calvary that has scored a win over the Eagles this year. I want to get you straight on this game. They asked us for a practice game and we could not get out of the team only four members of the Eagles played that night. In fact, the great Granger, pitched for the Eagles and the Butler side will win by a score of 3 to 2, if I remember correctly. So you see they did not beat the Eagles but a team made up of players who never played a single game together until that night."

In a previous paragraph in his letter Fogle scored the Butler's argument for not entering one of the regular city leagues. If they wanted an opportunity to be classed as the city champions of Marion, they should have entered the city league.

Continuing he said: "I want that Butler's challenge to enter their team next year. If they only cost them \$100, perhaps a year hence they may have the title of champions rightfully held now by the Eagles."

The writer is not sponsoring, or urging, any such challenge.

HIS 37TH YEAR

Coach A. Stagg, 66 years old, manager of Chicago University's football team, is pictured here as he appeared on the field to look over prospects for this year's Marion eleven.

It is not surprising that he played to settle the championship of Marion. The Chicago team is not in any league. If the writer of that letter is familiar with the rules of the league, several important features of his reply to the challenge could have been left out.

It so happens that Butler's is one of almost entirely of players not employed by the state. Fogle says that each player must be a member in good standing with his club or an employer or employee of the company he represents.

Of course the Eagles are not considered by any rules or regulations to accept the challenge of the Butler team. They are champions of the Marion recreation ball league while Butler's are claiming the independent championship.

## Giants Win Second Game of Series With Cards After Trailing in Eight Inning

BY DAVIS J. WASH  
NEW YORK, Sept. 21.—If you asked the St. Louis Cardinals today they would tell you that they are right in the saddle to the National League pennant after winning the first game of their series with the Giants yesterday.

## YANKS DROP CONTEST TO SOX AS MACKMEN TROUNCE TIGERS, 6-1

Leaders One Game in Front and Face Chicago Again Today

NEW YORK, Sept. 21.—From out of his hole—the Yanks are "slugging again!"

With their lead cut to a game and the Athletics trailing along a meekly and swiftly to their make the world's champions face in their crisis in Chicago today. Red Faber registered a fourth victory of the season over the New York Yankees yesterday and still remains the attack of Grady.

Alas, another Yankee howl. New York double plays are as rare as a March counter attack with Lazzeri nursing a sore arm and Koussis hobbling around on a sore foot and the mighty G. H. Ruth not hitting his weight in cubes.

Phog and Hoyt right lower and Jeter of the New York pitching staff couldn't hold the Sox yesterday. The tale was won out in the twelfth inning on a single, a stolen base and two errors.

The Sox downed Detroit 1 to 2 yesterday. The Tigers could not get started against Grady's Jack Quinn.

The Chicago Cubs, a game and a half behind the recent place Giants in the National League scramble will attempt to gain ground at Brooklyn's expense today while New York and St. Louis are idle.

It is in this case that the Sox make considerable trouble for both Chicago and St. Louis and even a battered Boston Braves are showing a sign of life. The back bay is snapped out of their slump yesterday scoring eight runs in the first inning of their second game with Cincinnati.

## Not Much Excitement Anticipated When Eight Ohio Teams Open Season Saturday

COLUMBUS, Sept. 21.—Aside from giving the new cheer leader an opportunity of limbering out some of the team's football premier on Ohio college gridiron, but calculated to cause great excitement, although Coach Schaefer of Ashland college picked out a team sized job when he scheduled the Keystone State normal athletes.

Bluffton college gave Ohio Northern plenty of trouble in their annual last year and is looked to turn the tables and finish on top of tomorrow's clash.

Prudling college according to early predictions, want upset anything but the water bucket when it clashes to meet with the United Brethren squad at Westerville.

The game between Wilmington and Antioch is down as just one of those things.

Cedarville is going to learn a lot of football at Winchester Ky. when it backs that Kentucky Wesleyan line tomorrow afternoon as the Methodist Colonels are slated for even a better season than last year when they trounced University of Cincinnati 12-0.

Scrimmages will be the only activity on other college grids.

ASHLAND—When Ashland college meets Slippery Rock (Pa.) Normal school here tomorrow for the first gridiron game of the season they will have had nearly three weeks of practice. Ashland's forwards are reported to be in much better condition than they have been for several years with Earl Russell former Ashland fullback and Denison uncertainty star for the last two years back in the lineup along with Capt. Novotny Hancock and Douglas the backfield is expected to give the Pennsylvania teachers some trouble.

WILMINGTON—Wilmington college plays its ancient rival Antioch here Saturday in a game which is expected to be a one-sided affair, according to the advance dope. Coach "Shifty" J. ten has his men in fine fettle for the initial contest, and a number of new men have appeared on the field the last few days.

WILMINGTON veteran 260-pound tackle, Adolphus Varrance, has returned and promises to strengthen the line.

SPRINGFIELD—Springfield college griders will travel to Winchester, Kentucky, Saturday to play Kentucky Wesleyan, old rivals. Both teams are primed for the battle but Cedarville is expected to finish second.

KEESVILLE—Keesville college griders are expected to be in fine fettle for the initial contest, and a number of new men have appeared on the field the last few days.

### Tale of Prize Ring

BY LUCILLA B. PARSONS  
Marion Star Staff Writer  
LOS ANGELES, Sept. 21—This is the day of prize fight stories. Gene Tunney with his scholastic mind, and Jack Dempsey with his brawn and muscle, have made their heroes of the ring world popular. Eric Ussell, realizing that has written a story called "The Spirit of Youth," which Tufan-Sun has purchased. Walter Laug will direct it.

With Larry Keat chosen to play the lead, I should say the hero is more in the Tunney type than the Dempsey. Jimmy Sebastian, who has been borrowed from Metro-Goldwyn-Mayer, will play the feminine lead.

I have an idea from what I have heard the picture is somewhat similar to "The Patient Leather Kid." This, however, is only a guess on my part.

ANY air picture filmed within the next six months is pretty apt to have a duplicate of six scenes of Motion picture cameras—chickens, the three at Mines Field, the loop and the air maneuvers, led by Col. Landbergh. Even "Wings" and "Lilac Time" failed to have loop the loop scenes, though they had crashes and spectacular ships rising the sky but nothing comparable to the sea hawks' gallant sky somersaults.

THE WIFE OF STEPHEN TROMBOLLY, written by Herman Sudermann, is no story of young love and romance. It's a psychological tale of the dividing wife of a man known in the world as a genius. Neither of the leading characters is young, but the story is one of realism. Clarence Brown has been called in to direct Sudermann's epic of married life, which will be called "Wonders of Women." In handling Clarence Brown the story, Irving Thalberg realized no ordinary director could film it and keep intact Sudermann's ideas.

Heck Merveth has written the scenario and Lionel Barrymore will, in all probability, play the genius. Mr. Barrymore has been chosen because he is a good actor and because his voice continues to lead in the talkies.

It Irene Rich gets back from New York in time and is free to accept, she will be interesting to see the reaction of this story on the public, who usually want their heroes young and their heroines inexperienced.

THE LONE WOLF, like Tennyson's immortal poem, seems to go on forever. It was fully 12 years ago that I reviewed Bert Lytell in the original "Lone Wolf" movie, the film drama directed by Herbert Brenon, and one that came in for the considerable commendation of the late Major Funt-Sawyer, then one of Chicago's censorship.

Since those early days Mr. Lytell has made any number of follow-up "Lone Wolf" stories, all adapted from Louis Joseph Vance's tales concerning this expert crook. All of these were made for Columbia, and now that Mr. Lytell is back from a vaudeville tour, what is more natural than that he should make another "Lone Wolf" story. This one will be called "The Lone Wolf's Daughter," and it is now in preparation with Jack Cohn getting ready to produce it. Al Rogell will direct them.

### SHE'LL MAKE DEBUT

Pretty Mary Devereaux, daughter of Dr. and Mrs. J. Ryan Devereaux of Washington, who will make her bow to society in the national capital this winter.

MARRIAGE hasn't interfered in the least with Kathryn Carver's film inspirations. At the time she and Adolphe Menjou decided to travel in double harness it was expected that Menjou would look elsewhere for his leading ladies. In the movies it has never been considered good policy for a star to have his wife play opposite him or vice versa. But Mr. Menjou upsets the apple cart of tradition and again chooses Kathryn Carver for his leading lady.

His next, "Marquis Preferred," is a story of a French marquis and is based on an original by Frederick Arnold Kummer. Frank Tuttle, who directed Adolphe and Kathryn in "His Private Life," will again wield the megaphone.

### PLAN DINNER

Ladies Aid Society Will Serve Annual Election Day Dinner

LaRue, Sept. 21—Members of the Ladies Aid society of the Methodist church held an all-day meeting, Wednesday, with Mrs. L. P. McVee at her home. The time was spent in sewing. A song, "I Love to Tell the Story,"

opened the devotional period which was followed by scripture reading by Mrs. John Dilsaver. Mrs. Fred Miller offered prayer. During the business session plans were made for the annual election dinner to be held Nov. 6.

The next meeting will be Oct. 3 with Mrs. Fred Miller. The guests were Misses Retta Hastings and Lena Dale Mulvaire, Rev. J. T. Carter, Mrs. Paul Owens and Mrs. John Dilsaver.

### SPIDER FAMILY ON DISPLAY AT STORE

About a month ago, the A. B. Thompson & Son, grocers at Delahouaine and Davis also received a shipment of bananas, but they received more than they bargained for. In the bunch was a banana spider of a brownish color and with legs about two and one-half inches long. The spider was "canned" in a jar and immediately be-

gan to spin a web. Soon it was discovered that a cocoon of eggs was hanging on the web and Tuesday night the eggs hatched.

The jar is on exhibition at the store and one side of it is a mass of crawling tiny spiders.

"Woman is the mystery of the ages," remarked the wife guy. "Oh, anybody can see through her nowadays," replied the simple mug, his mind on those diaphanous contrivances they are wearing.

VICTORIES for the athletes who make up Chicago's famous Cubs team depend upon the players being kept well fed and happy. Only the finest of foods are provided them on railroad dining cars and in the hotels where the club is quartered while on tour or at home.

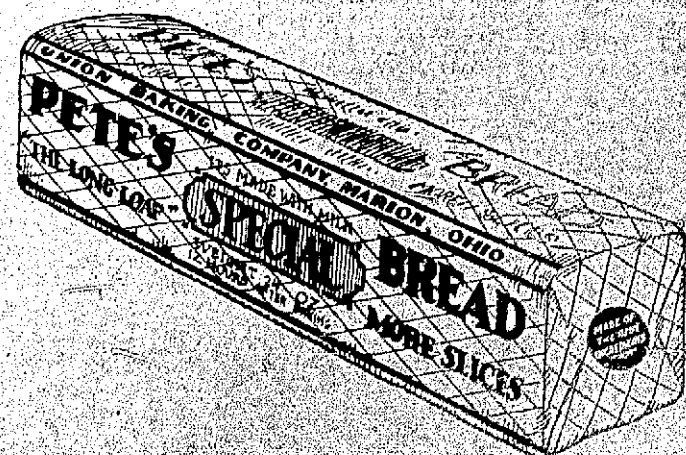

Surely, you would say, if there was any difference between the flavor of Jelke GOOD LUCK Margarine and the most expensive spread-for-bread, these expert judges of fine food would quickly detect it.

Yet when the twenty-seven players were asked to taste both and to tell which was which, *not one man was able to distinguish one from the other.*

## TWO ENLISTED AT NAVY STATION HERE

Marion and Mansfield Recruits  
Leave for Training  
Quarters

Enlistment of two young men as recruits in the U. S. navy was announced today by Chief Turin Captain John Shanks, in charge of the local navy recruiting station at the American Legion Dugout, South High st. They are Earl G. Conley, 400 South Grand av., and Martin E. Russell, Mansfield. Both were sent to the navy training station, Great Lakes, Ill., where they will remain for eight weeks receiving instructions about life in the navy, both ashore and at sea. Both expect to take advantage of the

opportunity to learn one of the most than 50 trades offered in the naval service and travel in many interesting places while in the service of their country. That the navy visits many interesting places is shown by the schedule of employment for the early part of 1925, which includes some interesting items. The battle fleet will remain in the San Pedro area until Jan. 15, and then depart with all available units for Balboa, Panama Canal Zone. As the fleet approaches Panama, where the counting fleet has already assembled, advantage will be taken of the geographical location of the two fleets to conduct a problem in the United States fleet will base on Panama bay, with intermediate stops, etc., until Feb. 21, when the fleet will depart for foreign port. Full information regarding the navy service is available to any prospective recruits at the local station, Captain Shanks stated today.

## Ritzzy Rosalie

EVERY dog has his day but Jingles has decided to make it his day too, even though it is his birthday. He is sharing his momentary fame (which has come down at the idea to form a band) with Jingles. The latter was very much disappointed to find that Jingles "knew" him but did not live up to its name but was a rubber ball which gave a peculiarly cat-like growl when pummed upon, much to the delight of the new owner. It will be Jingles' turn to be disillusioned when he receives the home lesson he is about to receive from him. It is of rubber with the picture on it and matches the plate which in addition carries an appropriate verse. "The home offer a diversion, even though it never saw a meal platter. The modern pet must have up-to-date comforts and amusement."

## FIND "ACUTE SITUATION" IN POLLUTED WATERS

Hartford, Conn.—The Connecticut state water commission, specially appointed to consider how to rid pollution of the state's rivers, lakes and seashore, finds an "acute situation" exists at Bridge and inland points. The commission has announced that "if it is allowed to develop much further it will seriously affect health and create a most acute public health problem." The summer population of Connecticut has increased so fast that it has been impossible for sanitation measures to keep pace the commission finds. The very thing which constitutes the chief element of the state's present problem is the situation which the small community cannot cope with unaided. The "summer visitor industry" is too valuable for the state to lose, the commission finds and so will make every effort to save it.

# HUGGINS ELECTED ELKS' SECRETARY

Veteran Lodge Member Chosen as Successor to the Late John M. Brigel

EDWARD H. HUGGINS

Edward H. Huggins, who has led a prominent part in local Elks affairs for over a third of a century, was elected secretary of Marion Lodge No. 32 at last night's meeting. The filling vacancy which resulted from the recent death of John M. Brigel, veteran member.

In the special election last night C. W. Napier was chosen as member of the Marion Elks Lodge, Co. was chosen Frank I. Schuch, whose resignation was received at a recent meeting. Both Huggins and Napier were for nearly installed following the election.

Huggins was initiated into Marion Lodge of 11th March 11, 1890. The late President Harding was a member of the same club.

Prior to his election as secretary, Huggins served 27 years as the Elks guard and in that period was present at all but 14 of the lodge meetings. A new honor award will probably be appointed at next week's meeting.

A memorial service for W. W. Sanders, whose death occurred yesterday, was conducted at last night's meeting. It was in charge of Leland Ruler II. Dr. Freyman also eulogized the late member. Mr. Klein, ruler of the past, also had charge of the installation of the newly elected officers.

Preliminary plans were made for a series of entertainments between teams representing the Elks lodge and Marion lodge No. 102 Knights of Pythias.

Never throw old shoes after a bride. Put them up in a neat package and send to her a year later, she'll appreciate them then.

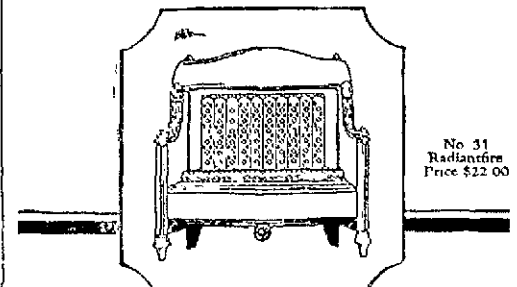

## The HUMPHREY Radiantfire IT BURNS GAS

### Much Better Than the Old Wood Fireplace

In the "good old days"... when wood and coal were cheap, and servants worked mostly for their board and keep... naturally you gave little thought to better heating equipment. Today, though, where gas service is available, The Radiantfire is rapidly replacing those unsightly piles of wood and scuttles of coal beside each fireplace. It heats by gas for a few cents per hour, pours 90% of its heat into your room instead of up the chimney, and is smokeless, dustless, ashless, odorless. Of course it is a great improvement in the appearance of your room, too, in addition to the saving. Many a Radiantfire has earned its price in fuel saved, the first season. Models range from \$15.00 up.

## CAPONE IN HOSPITAL WITH SHOTS IN LEGS

Gun Accidentally Discharged as One Time Gang Chief-tain Gets into Car

Chicago, Sept. 21.—Scarface Al Capone, Chicago's one time most spectacular gang chief, and 'hoozie' nabbed today in a hospital in Hammond, Ind., with bullet wounds in his right and left legs and in the groin.

Capone, who during the heyday of his power in gangdom successfully dodged the bullets of his enemies, shot himself accidentally after he and Johnny Patton rushed his wounded friend to the hospital.

## School Days

Reporter Gets in Personal Touch with Modern Education by Enrolling as One-Day Pupil in Marion Class-Rooms

Editor's Note:—Today Miss Jen Jones, in her tour of different schools of the city, takes her readers to one of the fourth grade rooms, where she discusses the work and finds pleasure as well as knowledge in their lessons.

BY FRANCES JENNINGS  
RELATION is something I've always been exceedingly fond of—especially adapted to during my school career—and it was to part of this interesting part that I went as a fourth grade pupil of the Marion Market at the Forest Lawn yesterday.

Miss Markert greeted me at the door of the room. We were just having a recreation. Delightful it was to see the fact that the physical education that comprised a recreation I were followed by a mental one called by the unattractive title, "Spelling." I felt my legs were too large and clumsy to come in anything requiring such as an arithmetic as I left the multiplication table to the younger and experienced students, and donated the happy role of onlooker.

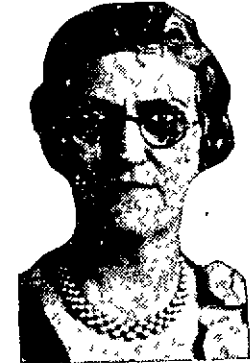

Three Show Speed  
Three little youngsters, two girls and a boy, completed the test before the minutes was up and displayed the in-drawnness of four h grade pupils in general by at once beginning a study of the reading lesson open to follow.

Then came recess—another interesting period. I always enjoyed in public school work—and the 15 minutes I spent leaving the most when I assume the role of high school student. Miss Markert happened to be playing the role of supervisor for the day and I gathered up enough courage to follow her in her work as she briefly explained among 253 young youngsters who had just completed in play. The children spent their time on the playground is even more interesting than the way they spent it in school. Left to themselves and the dictates of their own minds they—that is the ones not being punished by being kept in—either swing play tag and indulge in their recreation or take part in some sort of an athletic game which seems to include a strike of a ball, and find in hand running about the playground, enduring such unfortunate child as may happen to be standing in a convenient spot by himself.

Safety Rule Enforced  
Roughness and fights are forbidden and no recklessness when playing on the school grounds.  
After recess studies began again and teachers and pupil delved into a lively account of 1847 and 1848 in the Field of Memory—for the Field of Happiness in a store called The Blue Bird on page 105 of a book called Happy Tales for Story Time.

## Konjola Built Up Her Inner-System States This Lady

Misery of Kidney and Liver Trouble Ended By Use of Advanced Medicine

MRS. S. L. BONHEVIER

Konjola certainly benefited me in more ways than one, my health was in a dreadful condition but before I finished taking Konjola, every one of the ailments had disappeared," said Mrs. S. L. Bonhevier, 1631 1st Mon. street, Columbus Ohio.

My complexion was discolored and spotted because of the sluggish and torpid condition of my liver and I was subject to dizzy spells, when hundreds of small black spots appeared before my eyes. My kidneys were so weak that I was forced to rise every twenty minutes at night and then the next day I suffered from severe pain across the middle of my back.

Just about this time, I started on the treatment of Konjola and this medicine turned out to be exactly what I always needed. I gained in strength and energy every day and my liver is functioning perfectly again so that my complexion is of a healthy color and I am never subject to dizzy spells. My kidneys are also acting in a normal manner and I can sleep through the entire night without waking a single time. In those parts in my back are ended.

Konjola is different from any other medicine in this section. It contains twenty-two juices extracted from natural plants which invigorate the stomach, liver, kidneys and bowels to more healthy action. The effect of Konjola on the entire system brings about relief in cases of suffering that has been going on for years. At the same time, the many weak and rundown systems have been restored to a new state of health through this compound. Such a vast number of men and women have been benefited by this new medical product until now Konjola is the most highly indorsed medicine that is known in this vicinity.

Konjola is strongly recommended here in Marion at Stump and Sams Pharmacy and is also sold by all the best druggists throughout this section.
